

10

REASONS people choose AES Solar

for your solar PV, solar thermal or battery storage

1 Solar is our speciality

We design, supply, install and maintain solar panels and systems. That's all we do.

2 38 years and counting

AES Solar is the longest established solar panel company in Europe. And the only manufacturer in Scotland.

3 Made in Scotland

A local workforce manufacture solar thermal panels in Forres in the north of Scotland.

4 Source any PV brand

If you want a particular brand, we can supply any make of solar PV panel, eg, SunPower.

5 Industry experts

We are active members of the Solar Trade Association, which oversees the industry.

6 Queen and country

Customers such as Balmoral Estate and The Scottish Parliament have chosen AES Solar.

7 Adaptable

No job is too small or too big. Our customers include domestic, commercial and developers.

8 Award-winners

SME of the Year 2017 and finalists in the Green Power Awards and the Solar Power Portal Awards

9 No stock solutions

Every installation is designed to meet your individual needs, however simple or complex.

10 You're number 1

Nothing is more important than our customers. We are here to help you.
